

ARETIANS

R.F.C.

# Sponsorship PROPOSAL

# About Us

Formed in 1961 by rugby players from Henbury School in Bristol, Aretians have enjoyed a high degree of success during our 60+ years of membership in the Bristol Combination and the Gloucestershire RFU. A number of Aretians have gone on to play for their country, their county, the Bristol Combination and Bristol Rugby Club as well as some opting to become distinguished members of the Bristol Referees' Society.

Aretians RFC recognises the need to be involved with its local community and seeks to use its facilities and personnel to make a difference for local people.

# Meet Our Team

Aretians has been built by the members for the members and the local community, which also applies to our management committee, with each individual voted in by the membership at our annual AGMs.

Our management leads are pivotal in ensuring the rugby and business side of Aretians is running smoothly and therefore it's our pleasure to introduce you to our higher management team.
